EXTENDED DAY/OUTDOOR ACTIVITY REGISTRATION

All clubs participating in any activity involving overnight(s) or extended day activities that are longer in duration than a typical field trip (over 4 hours) must complete an Extended Day/Outdoor Activity Registration and turn it in to the council office one week prior to the activity.

The health and safety of Camp Fire participants is our primary concern. All adults assuming leadership roles during a Camp Fire activity must be advised of their responsibilities and council policies and procedures. Leadership roles include, but are not limited to: drivers, extra adults to meet adult/child ratios, first aiders, & lifeguards.
