

MARVELOUS MOM AND DO DAD EMBLEMS

Youth activities for members of Camp Fire USA follow the motto “Give Service.” Parents of youth members can set good examples by giving time and talents in support of their child’s commitment to being a member of Camp Fire USA.

Requirements:

10 hours of service by parent/guardian.

A parent/guardian with more than one child in Camp Fire USA must earn 10 hours for each child. Time spent on helping at club or council activities may be applied to one child or divided among children. In the case of a club leader it is suggested that she/he serve as helper for a second child’s club or help with a council event.

Guidelines:

Worthwhile service will involve the parent as a positive role model to the children, share special skills and knowledge, develop cooperative and positive attitudes, gain knowledge of Camp Fire USA, and provide valuable assistance to the club leader.

Award may be earned annually.
