**Facebook Page for Orca Council** – there was inquiry if a Facebook page with view only for activities for Orca Council would be of interest. It was agreed that this might not be heavily utilized by current membership (still not a lot of use of the website), but should still consider the idea.

### **OTHER NEWS**

**National Art Competition** – Rebecca Engelhardt reported a successful workshop “Recycle as Art” held February 26, thanks to all who participated. Information on the Art Competition deadline and handout from workshop will be distributed to membership soon.

**Volunteer Club Leadership** – Kathy Unruh reported at the recruitment meeting that Orca Council will need to continue to look to volunteer management of the Club program, as the current budget still does not allow for staff dedicated to the Club program. This is a model that is common in many councils throughout the nation.

**Adjournment - The meeting adjourned at 7:40 p.m.** (Way to go! – we stayed on topic and wrapped up business in a timely fashion, it is really helpful to discuss certain issues in sub committees and bring reports forward, such as recruitment, thanks for all who participate in these extra committees).
